

MY DEAD HUSBAND IS ALIVE

Years after losing her husband in a devastating car crash, Ruby Harrington has finally rebuilt her life. Grief has given way to stability, a new relationship, and the sense that the worst is behind her. Then a message arrives from a number she never expected to see again. Her dead husband is alive. As Ruby is pulled back into a past she believed had been buried, she discovers that the man she loved was living a secret life far darker than she ever imagined. What begins as an impossible reunion quickly becomes a dangerous unravelling, exposing hidden criminal ties, financial deceit, and the threat of men who believe Ruby knows far more than she does. With her future under pressure and her past suddenly weaponised against her, Ruby is forced to question every memory of her marriage and every instinct that once made her trust him. Blending emotional betrayal with escalating jeopardy, MY DEAD HUSBAND IS ALIVE is a psychological crime thriller built around deception, exposure, and the return of a man whose survival may destroy the life Ruby fought to reclaim.
