

## **THE WRONG DROP**

Liam is an ordinary takeaway courier trying to stay afloat when one wrong delivery sends him into the heart of a brutal criminal world. Arriving at the wrong address, he finds a dead man in the doorway of a suburban house and flees in panic, unaware that hidden surveillance has captured his every move. By morning, he is no longer an innocent bystander. He is the prime suspect in the murder of a feared drug dealer's associate and the disappearance of a valuable drugs haul no one can afford to lose. As suspicion tightens around him, Liam finds himself hunted by men who believe he is lying, and trapped in a system where the police offer no simple way out. When the danger reaches his pregnant girlfriend, survival becomes less about telling the truth and more about how far he is willing to go to stay alive. Set against a gritty urban backdrop of takeaway runs, side streets, estates and safehouses, THE WRONG DROP is a tense, street-level thriller about pressure, misjudgment and the moral cost of being in the wrong place once.
