

PRIVATE ARRANGEMENTS

When a disciplined young personal trainer accepts a discreet offer to accompany a wealthy client to an important London engagement, the arrangement seems straightforward: good money, clear boundaries, no obligation beyond appearance and charm. But what begins as a one-off favour quickly opens the door to a hidden world of private transactions, elite clients, and desires that are never as simple as they first appear.

As referrals follow and the rewards grow harder to ignore, Damien finds himself pulled into a double life that is as seductive as it is dangerous. By day, he remains the polished, dependable man his girlfriend believes she knows. By night, he is drawn deeper into a world where intimacy is purchased, control is fragile, and every arrangement carries emotional and personal risk. What starts as a secret side hustle soon becomes a volatile web of temptation, deception, jealousy, and escalating consequence.

Set against the polished surfaces and private shadows of modern London, PRIVATE ARRANGEMENTS is a scandal-driven romantic drama about desire, power, and the price of becoming exactly what other people are willing to pay for.
